

EUROTERRA CAPITAL 欧域资本

London | Greece | Bulgaria | Hong Kong | Beijing | Shanghai

Euroterra Capital is a leading global real estate investment and development firm.

Since inception in the 1980's, we have successfully cemented our name as one of the most esteemed developers in Europe. At present, we have developed approximately two million square feet of residential and commercial space across Europe.

With our global headquarters located in London's West End, we are well positioned to seek out advantageous real estate opportunities across Europe. We have established ourselves as a leading European investor and developer, with a longstanding history of successful ventures in the United Kingdom, Greece and Bulgaria. Additionally, we strategically invest in the Asian market with offices located in Hong Kong, Beijing and Shanghai.

As we continue to strengthen our positioning in the global market, we have laid the foundations for strategic investment activities in Africa.

We place a particular importance on local knowledge and specialize in creating bespoke living spaces at the most desirable addresses. Our aim is to provide both potential investors and residents the opportunity to invest in and be part of Europe's most characteristic developments.

Euroterra Capital has established a reputation as a supplier of finely crafted, prestigious living space in Europe. Our focus on high - end residential developments is exhibited in the form of individual houses, blocks of apartments and multi-unit sites. We also develop mixed-use, commercial and other real estate related assets, all on the basis of private occupation.
